EDUCATION

Drexel University   Philadelphia, PA
Bachelor of Science in Software Engineering   (Expected Graduation: June 2029)
Major: Software Engineering
Minor: Financial Technology

EXPERIENCE

Consolidated Bank of Ghana   Accra, Ghana
Intern   (June – August 2023)

- Explained features of online and mobile banking platforms to customers as part of the e-banking division, increasing user engagement with tech-enabled services
- Troubleshot user access issues on digital banking platforms in collaboration with the IT support team, gaining early experience in user-centered technical problem-solving
- Automated administrative data entry tasks using Microsoft Word and Excel, improving organizational efficiency in a professional office environment

Vester Pharmaceuticals   Accra, Ghana
Software & Automation Support Intern   (December 2024 – Present)

- Supported automated inventory and production tracking systems by performing diagnostics and data integrity checks, ensuring accurate and uninterrupted operations
- Assisted senior staff in integrating digital systems with pharmaceutical manufacturing workflows to understand automation processes, building foundational knowledge in regulated environments
- Developed simple reporting tools using Excel and Python scripts to track stock levels and batch records, enhancing reporting efficiency and data accessibility

PROJECTS

Prototype Book and Movie E-library   Drexel University
Full Stack Developer   (Jan 2025 - June2025)

- Designed and implemented a website that allows users to search for books and movies based on their desired genres
- Coordinated the project goals and action steps using the agile Methodology
- Developed the back-end server using Node.js with express.js and MongoDb and the front end using HTML, CSS, JavaScript, and EJS templates

TECHNICAL SKILLS

- **Programming Languages:** Python / Javascript / HTML / CSS
- **Libraries / Frameworks:** React
- **Development Process:** Agile Methodology / Stand-up meetings / Code Reviews
- **Design:** Adobe Photoshop / Adobe Illustrator

RELEVANT COURSEWORK

- Computer Programming I, II / Agile Design I, II, III / Calculus I, II / Computer Algorithms / Accounting
- Programming Language Concepts / Systems Programming

AWARDS / HONORS

- **Dean's List** - Drexel University (Fall 2024, Winter 2024)
- **Valedictorian** - International Community school Ghana (June 2024)
- **Best A level Advanced IT student** - International Community school Ghana (June 2024)
